Thanks to all who volunteered in directing traffic, helping with registration, water stations, and the finish, plus our local fire, ambulance, and sheriff's departments for their road traffic assistance too!

If you notice any errors in the times, let me know. We had one hiccup of a tag missing due to a youth runner who did both races and lost her tag after the youth race. I hope I got it right as I made a note of it after it happened at the finish right away.

Thanks once again for coming out, it was a GREAT turnout, a GREAT evening for being active and competing, and you couldn't have asked for a better night to kick off Finley Days 2013!

Sincerely,

Rick Karboviak

Climb The Podium Events

PS: The "Finley's Fastest 40" Competition is at 7 PM down at the track on this Friday night, 6/7/13. \$5 for 5 trials, \$10 for 10 trials... come get tested just like the NFL guys and college draftees get tested with an eye-beam timer and touchpad starter! Let's see how fast you are over 40 yards! ☺ I will have forms available at the track to register there. Open to all ages, 12 & under, 13-15, 16-18, and 19+.
